

Daniel Okafor

Project Manager, PMP · Cross-Functional Delivery

Chicago, IL · (312) 555-0164 · daniel.okafor@email.com · linkedin.com/in/danielokafor

SUMMARY

PMP-certified project manager with 9 years delivering software and operations programs up to \$6M. Keeps cross-functional teams aligned, de-risks early, and ships on time and on budget.

EXPERIENCE

Senior Project Manager · Accenture

Feb 2020 – Present

Chicago, IL

- Delivered a \$6M ERP migration across 5 business units 3 weeks early and 8% under budget.
- Led 4 concurrent Agile teams (35 people), holding on-time delivery above 95% for two years.
- Cut status-reporting overhead 40% by standardizing dashboards in Jira and Smartsheet.
- Ran risk and stakeholder management for a 200-user rollout with a 96% adoption rate.

Project Manager · Grainger

Jul 2016 – Jan 2020

Lake Forest, IL

- Managed a warehouse-automation program that lifted fulfillment throughput 22%.
- Coordinated vendors and internal teams to launch 3 distribution upgrades with zero downtime.
- Ran weekly steering committees, keeping a \$2.5M program on scope and on schedule.
- Introduced a RAID log and change-control process adopted across the PMO.

Project Coordinator · Caterpillar

Jun 2014 – Jun 2016

Peoria, IL

- Tracked schedules, budgets, and deliverables for 6 concurrent engineering projects.
- Built the reporting cadence that gave leadership a single weekly status view.
